Re: CE Declaration of Conformity – Freeflex Tubing Heaters

The following specialty component heaters:

Freeflex Tubing Heaters: Type FF

Max. Rated Voltage: 240 Volts

Max. Rated Power: 5.35 Watts/sq. in. (0.829 Watts/sq. cm)

Meet the essential requirements of the following European Union Directives:

2014/35/EU Low Voltage Directive

Using the relevant sections of the normalized standards shown:

EN60335-1:2012 Safety of Household and Similar Electrical Appliances

Columbia, MO USA, 03/21/2023
